Want	A small non-commercial grocery store/ice cream/coffee shop
Don't Want	commercial development
Value	The location of the water and seaside , middle of the Eastern Shore, is in between Burtons and Bradfords bay overlooking the barrier islands of cedar and paramore, on finney creek, aka wachapreague channel
Value	for over 120 years it has offered some of the best boating, birding, fishing, inlet and island access on the shore and east coast. In addition an in conjunction there has been fish houses, clam and oyster houses, marinas, motels and restaurants that offer locals and tourists the ability to purchase and consume seafood
Value	The beautiful homes throughout the town that is not too bit and not too small. A nice community feel that's friendly and has a great ?? and carnival
Want	some focus back on marinas, hotels, inns, and restaurants that offer locals and tourists the ability to enjoy all the town has to offer. I
Don't Want	I am not interested in Town sewer or being forced on the residents of the town. If businesses in the commercial area want it to service their operations that is 1 thing.
Don't Want	Town sewer or septic service being forced on the residents of the town. Wachapreague is not that big and I have seen it done to towns like cape charles, onancock, exmore and chincoteague. Expensive monthly bills for septic that most residents cannot afford given the current state of inflation. We don't need another costly utility bill.
Value	Peaceful, serene, quite, beautiful, a good place to raise children & small town feel.
Value	you feel safe to walk around day or night.
Value	the low taxes
Value	we try to look out for each other so that everyone benefits and NOT just a fes.
Want	no changes, we like it the way it is
Want	The election of people on Town Council and Mayor should have 3 people originally here and three "come-here's" not all those that want to change it hack to wherever they came from.
